Dear New Home Owner,

It was a pleasure speaking with you regarding your interest in obtaining a construction loan.

With over 30 years of experience in the construction loan industry, we utilize only the lenders with the best rates and programs available.

Per your request, I've enclosed an initial pre-approval loan application package. Please complete and return all forms along with the following items which are necessary for pre-approval:

1. Latest one month bank/asset statements to include all pages of savings, checking, investments, stocks, mutual funds, 401k's, IRA's and Keogh accounts.
2. Latest 1 year signed tax returns (all schedules) or W'2 each.
3. 1 month pay stubs from your current employer(s).

Please fax, mail or email to us the above along with the balance of the initial pre-approval package and will begin working on your pre-qualification immediately.

We will not pull your credit report until you decide to work us.

Once we complete the pre-approval process (approximately 24 hours), we will provide you with a pre-approval and a total cost of project.

Should you have any questions, please don't hesitate to contact me.

Rick Gomez
